My dear Major Sulezowski

Thanks for your kind letter  
advised & to which I have  
delayed replying, till I made  
some inquiry after what you  
want.

The only work I  
find in the catalogue of our  
library at the R.A. is "Galt's  
Life of West. 8vo London 1820."  
it does not say "Sir Benjamin",  
but I presume it is, as I believe  
there is a life of some sort, of  
all the P. R. As. I find I  
can learn nothing of it of any

of my friends, and I think  
the best thing you can do is to  
go to the British Museum. You  
can easily get an order (necessary)  
from some of your friends in  
the War Office, and there you  
are sure to find any & everything  
that has ever been published in  
connection with Wat.

If you could get the name &  
date of the picture, I will  
go to the R.A. & turn up  
the old catalogues, if the  
work was exhibited in London  
some description if it may  
be there. if any, I will  
make an extract for you  
with pleasure.

There is a work on plants  
by "Piddington" I read long  
ago - but cannot remember any  
thing particular about it.  
However whatever there may  
be of Biography you are  
sure to find at the B. Museum.

Let me know if I can be  
of any use with our old Cata-  
logues & I will be at your  
service - only, I would require  
name & date of the work.

With kindest regards to  
Mrs Sulezwicki & yourself

Believe me  
My dear Sir  
Yours very truly  
Edwin Smith

Was word is here I saw
