Raynham Hall
Brendan

13 Sept 1863

Dear Sir

Lord Raynham re-
quests me to say he is
too unwell and distressed
to write to you himself
but I am to apprise
you that the funeral of
the late Marquis Townshend
will take place at
Hereford on Thursday
next, the 17th Inst. and the
Friends of the late Marquis
will assemble at Balls
Park, at 12. 0' Clock.

Lord Raynham hopes
that you, as a friend of
his deceased Father
will be able to attend.

but in the making of
the Polish Association
for the expenditure of
your sympathy and
regard, which is very
gratifying to him, he
begs me to say, it
would not be consistent
with the arrangements
which have been made
for the funeral to receive any
great number of the asso-
ciation, yet if it be
agreeable to your wish
to attend, His Lordship
will be happy that they
should assist at the
ceremony. Believe me

Yours faithfully
(Ld) W. Henderson
