20th January 1848. Monday

My dear Mr. Matthews

I beg to remind you of your promise to give me the number of the Edinburgh Review which contains Dr. Lardner's article on the Calculating Machine. I think there is an Index to the Edinburgh Review. Pray give me that information and even if you can send me the book through the Embassy Dr. Lardner has the privilege of sending so and besides Mr. H. Bulwer is his friend. Also the first number of the ~~Ed~~ Dublin Review.

Tell Dr. Lardner, if you please, that he lent the late Mr. Wallace the following works of Voltaire from his library: Essai sur les Moeurs 5 volumes; Dialogues 2 vols.; Politique et Legislation 3 vols.; Mélanges Historiques 3 vols., which he kept with him.

Also remind Dr. Lardner to give me one or two letters of introduction to some of his English acquaintances here.

I hope to have a word from you in answer to this, as also the 3rd, 4th part of the Steam Engine.

Remind me very kindly to Dr. Lardner and give my compliments to Mr. & Mrs. Taylor
Mr. Matthews,
St. James St. Westminster
London

Yours truly
Leonard Niedgerich
