 17th November 1827

Dear Sir,

The Gentleman to whom I give
 this is here on a short visit to England
 Being a Foreigner he is naturally
 interested and anxious to see the
 principal curiosities of the town.
 You will oblige him and confer
 a favour upon me by letting
 him see the establishment of M^r.
 Spottiswoode. Your known kindness
 to me assures me that you will
 willingly attend to my request.

Yours truly
 Leonard Niedzwiecki.
