Kochany Szerepanoski

Dobrze się spóźnił z biletami dla mnie, bo i tato
dla wcale niepodziwanego samotania, mimogłym być być.
Księżna mi bawem poleciła obliczyć dzisiaj, jak najprędzej
garety — i ratym wybiegtem. Oż Kiedys ty grat, sa
wtedy biletami.

Kastawiono mi pieniądze dla Ciebie i niektóre
bilety surowe. Księżna też dał mi za swoje miesiąc
franków; Janusz Kiewicz za dwa sprzedane dwadzieścia,
a Pan Zamoycki za trzy, trzydzieści. Także do mojej
ręki razem obiegło się trzydzieści franków dla
Ciebie.

Janusz Kiewicz powiada, że rodzina ta Polska na
którą rachował że biletu weźmie, była na koncercie
tatem musiała wziąć bilety, stał inąd. 8 osmim
się biletów ~~z~~ danych przez Ciebie, zwraca
a sześć.

Pan Zamoycki miał biletów pięć za trzydzieści
oddaje dwa. Razem daje mi obwiadczyć że żałuje
mocno że sam nie mógł być. Ale to nie było w
mocy jego.

Masz więc u mnie do odbrania osm
biletów, i trzydzieści franków.

Kocham Cię
Leonard Niedzwiecki

61 r. St. Anne.

The first of the month of January
 was a very cold day, with a
 heavy frost, and the wind
 blowing from the north-west.
 The second day was equally
 cold, and the frost continued
 to increase. The third day
 was a little warmer, but the
 frost still remained on the
 ground. The fourth day was
 a very cold day, with a
 heavy frost, and the wind
 blowing from the north-west.
 The fifth day was equally
 cold, and the frost continued
 to increase. The sixth day
 was a little warmer, but the
 frost still remained on the
 ground. The seventh day was
 a very cold day, with a
 heavy frost, and the wind
 blowing from the north-west.
 The eighth day was equally
 cold, and the frost continued
 to increase. The ninth day
 was a little warmer, but the
 frost still remained on the
 ground. The tenth day was
 a very cold day, with a
 heavy frost, and the wind
 blowing from the north-west.
 The eleventh day was equally
 cold, and the frost continued
 to increase. The twelfth day
 was a little warmer, but the
 frost still remained on the
 ground. The thirteenth day
 was a very cold day, with a
 heavy frost, and the wind
 blowing from the north-west.
 The fourteenth day was equally
 cold, and the frost continued
 to increase. The fifteenth day
 was a little warmer, but the
 frost still remained on the
 ground. The sixteenth day
 was a very cold day, with a
 heavy frost, and the wind
 blowing from the north-west.
 The seventeenth day was equally
 cold, and the frost continued
 to increase. The eighteenth day
 was a little warmer, but the
 frost still remained on the
 ground. The nineteenth day
 was a very cold day, with a
 heavy frost, and the wind
 blowing from the north-west.
 The twentieth day was equally
 cold, and the frost continued
 to increase. The twenty-first day
 was a little warmer, but the
 frost still remained on the
 ground. The twenty-second day
 was a very cold day, with a
 heavy frost, and the wind
 blowing from the north-west.
 The twenty-third day was equally
 cold, and the frost continued
 to increase. The twenty-fourth day
 was a little warmer, but the
 frost still remained on the
 ground. The twenty-fifth day
 was a very cold day, with a
 heavy frost, and the wind
 blowing from the north-west.
 The twenty-sixth day was equally
 cold, and the frost continued
 to increase. The twenty-seventh day
 was a little warmer, but the
 frost still remained on the
 ground. The twenty-eighth day
 was a very cold day, with a
 heavy frost, and the wind
 blowing from the north-west.
 The twenty-ninth day was equally
 cold, and the frost continued
 to increase. The thirtieth day
 was a little warmer, but the
 frost still remained on the
 ground.
